1. Objective

The purpose of capturing the progress of schemes under all Ministries/Departments where DBT is applicable is to monitor the readiness of the schemes within each Ministry to DBT on-board with defined timelines.

This system is a decentralized monitoring framework where DBT Cell Coordinators in each Ministry/Department will update the values against each Key Performance Indicator Parameters (KPIs) which has associated weightage to generate the score against each scheme.

All DBT applicable schemes have weightage based on number of beneficiaries under the schemes to generate the progress Ministry.

This system will be regularly monitored by Cabinet Secretariat and PMO to get to know the progress of all Ministries/Departments in the area of all DBT applicable schemes under the DBT Bharat Portal.

All Ministries/Departments will get the Ministry wise score to track their progress along with progress report for individual schemes with updates at real time.

2. Approach to generate the Scheme wise Progress Report

All Key Performance Indicators (KPIs) associated with these schemes are defined based on their **Benefit Type.** These KPIs have Weigh and Target Dates to complete DBT onboarding activities.

a. Schemes onboarded by 31st Dec 2016

List of Schemes mentioned in Annexure1, need to be onboarded on DBT by 31st December 2016.

These Schemes has different weightages to parameters to monitor the progress.

Schemes of Benefit Type: Cash/Other

Monitoring Parameter	Key Performance Indicator (KPI)	Data Type	Weight	Overall Weight
Beneficiary Digitization	Captured & Maintained Electronically	Section	5	5
	Captured & Maintained on Paper	Section	0	
Aadhaar Enablement	Aadhaar Seeding in Beneficiary DB	Number	10	30

b. Remaining Schemes

All other schemes are classified into 3 categories in terms of timelines. DBT onboarding in these schemes is to be completed by 31st March 2017, 30th September 2017 and 31st March 2018 timelines.

Ministry will able to see the Target date against each scheme on DBT portal using DBT Cell Coordinator credentials using the process mentioned in Section 5.

3. How to Report Progress of Scheme.

These Schemes have different Key Performance Indicators (KPIs) based on Benefit Type along with Weights allotted to generate the progress report of the Scheme.

Schemes of Benefit Type: Cash/Other

Monitoring Parameter	Key Performance Indicator (KPI)	Data Type	Weight	Overall Weight
Beneficiary Digitization	Captured & Maintained Electronically	Section	20	20

a. How to Calculate Progress Score of Scheme

Total Scheme Score is 100 for all benefit Type schemes.

Based on above KPIs for each benefit Type, progress score of each Scheme will be generated as follows:

Benefit Type: Cash/Others

Sum total of Score Calculated based on formula mentioned in Score Calculation column in the Table given below for Cash/Other benefit type schemes.

Monitoring Parameter	Key Performance Indicator (KPI)	Data Type	Weight	Score Calculation
Beneficiary Digitization	Captured & Maintained Electronically	Section	20	Selected KPI associated Weight
	Captured & Maintained on Paper	Section	0	
Aadhaar Enablement	Aadhaar Seeding in Beneficiary DB	Number	10	(Entered Number/Total no of Beneficiaries)* Weight

Table 7 - Score Calculation for In Kind (only PDS) Schemes

4. How to Calculate Progress Score of Ministry/Department

To Calculate the Progress Report of the Ministry, base parameter is individual schemes divided by the total number of beneficiaries.

i. Scheme Weight will be calculated = (Total number of Beneficiaries under individual scheme/Total number of beneficiaries under all schemes of that Ministry/ Department)

ii. Above calculated scheme weight will be multiplied by the score of the scheme as calculated in section C.

iii. Sum total of calculated weighted scheme score will give the Progress Score of the Ministry.

5. User Manual

This section has been created for helping "**Ministry DBT Cell**" coordinators to Login and report progress of DBT applicable schemes to on-board on DBT using the defined Key Parameters Indicator (KPIs) against the defined timelines.

In this section, we have provided a step by step process (with screenshots) guiding Ministry DBT Cell coordinators to execute functionalities to **enter the parameters data against the DBT applicable schemes.**

a. Ministry Users Login

Type the URL https://dbtbharat.gov.in/ on address bar. You will find the screen as below:

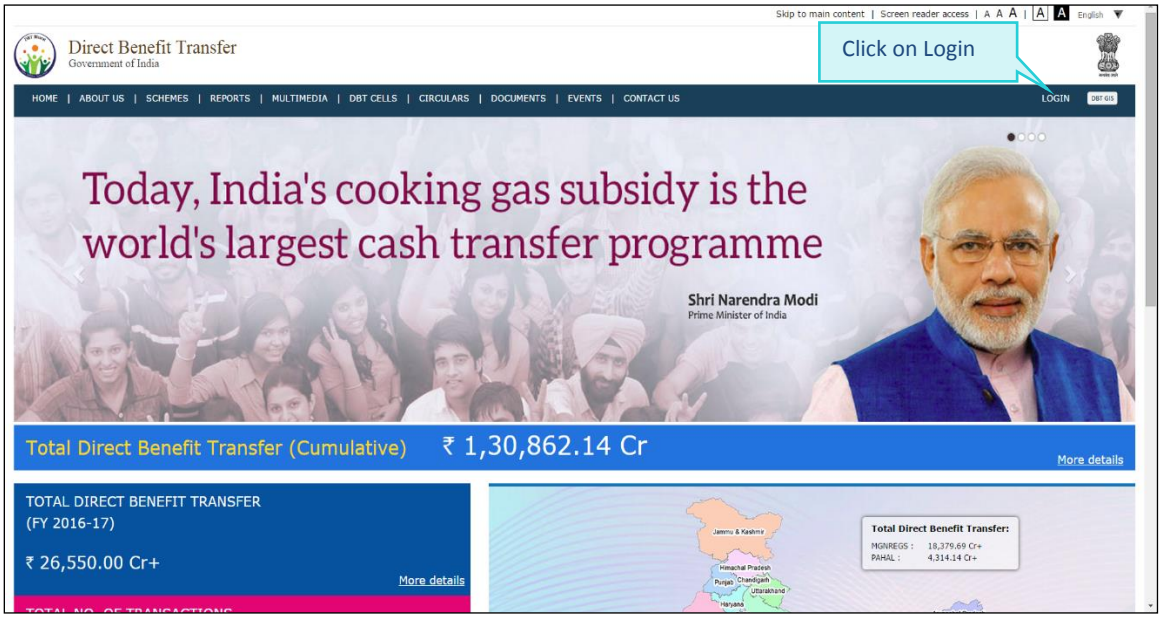

Figure 1 - DBT Bharat Portal - Home Page

Once Login link is clicked, the page as shown below will open to enable you to enter the login id and password:

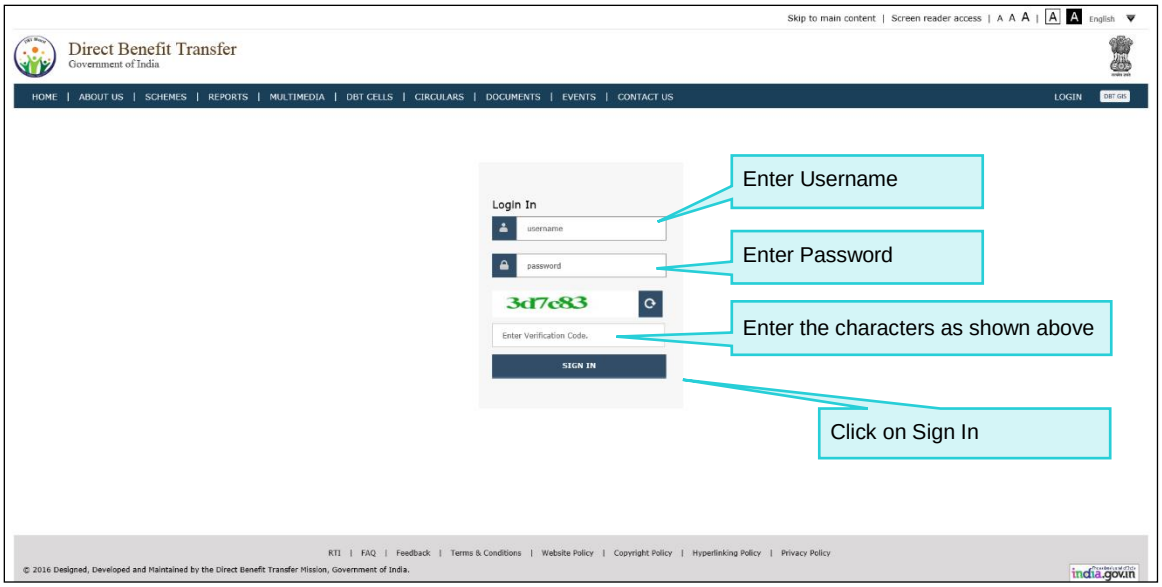

Figure 2 - Login Screen

Enter "**Username**", "**Password**", **"Captcha**" and click on "**sign in**" button. User will reach the screen shown below (See screenshot below):

After Successful login, Ministry DBT Cell Coordinator will be redirected to DBT Assessment – Activity Page

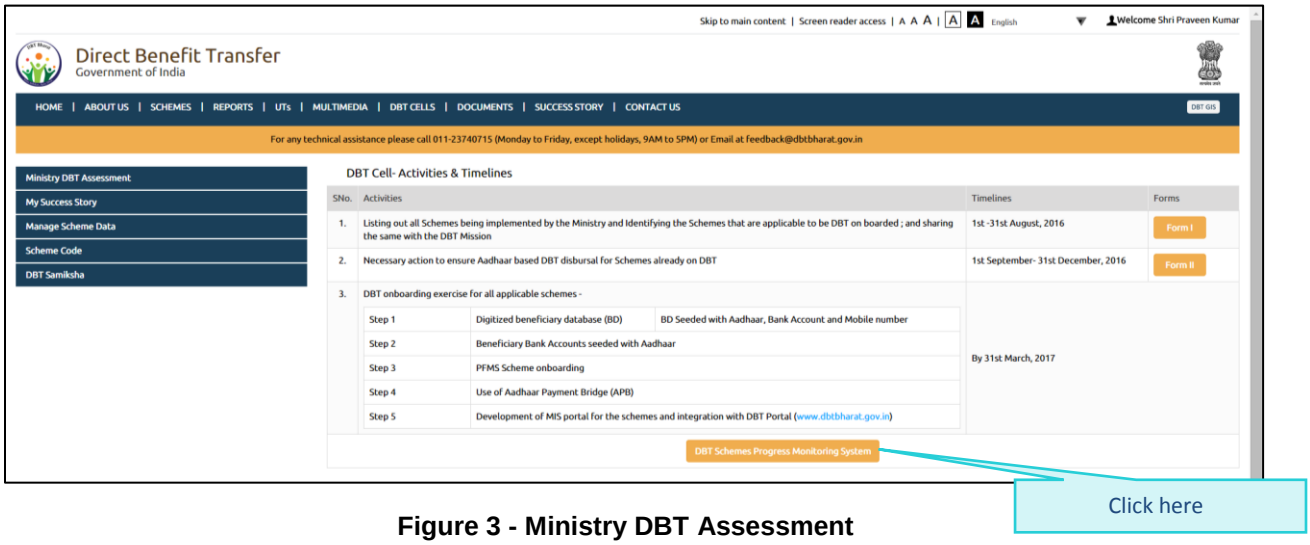

Figure 3 - Ministry DBT Assessment

User needs to click on DBT Schemes Progress Monitoring System Button shown above to get Ministry Wise DBT Schemes Progress Dashboard where All DBT Applicable Schemes are listed.

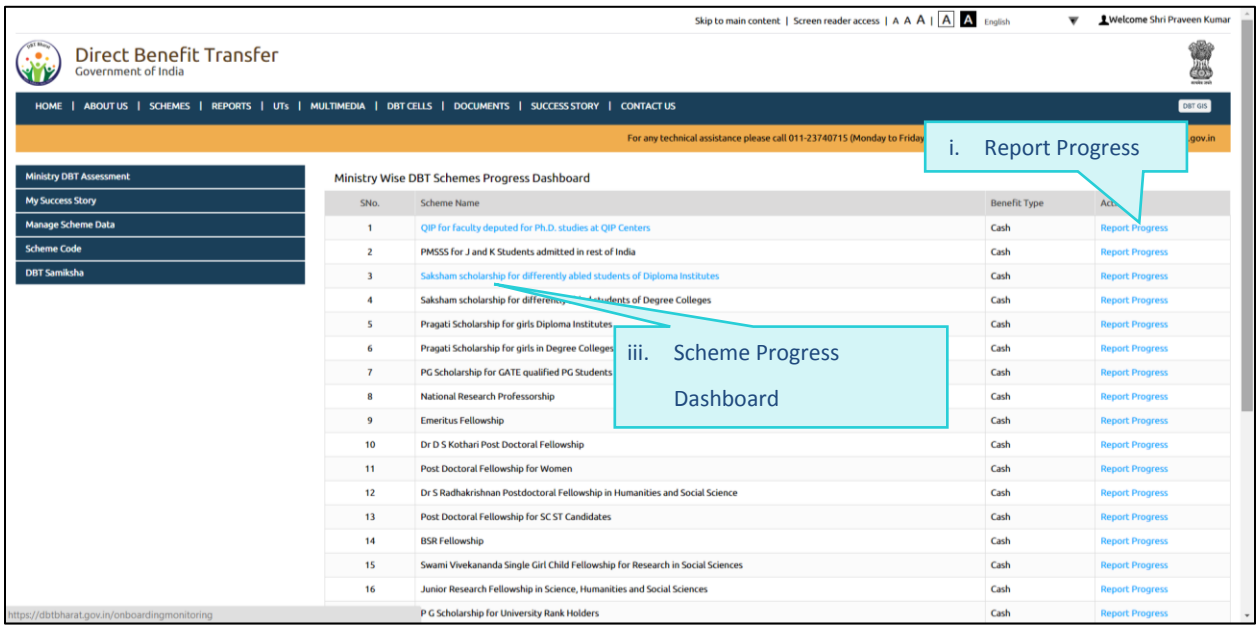

Figure 4 - Ministry Wise DBT Schemes Progress Dashboard

Here, User can do the following activities-

i. Update the Progress of any scheme using the Report Progress Link against each scheme.

ii. View the scheme wise Progress Dashboard by clicking on the name of the scheme. Only those scheme will be clickable whose Progress has been reported by Ministry/Department.

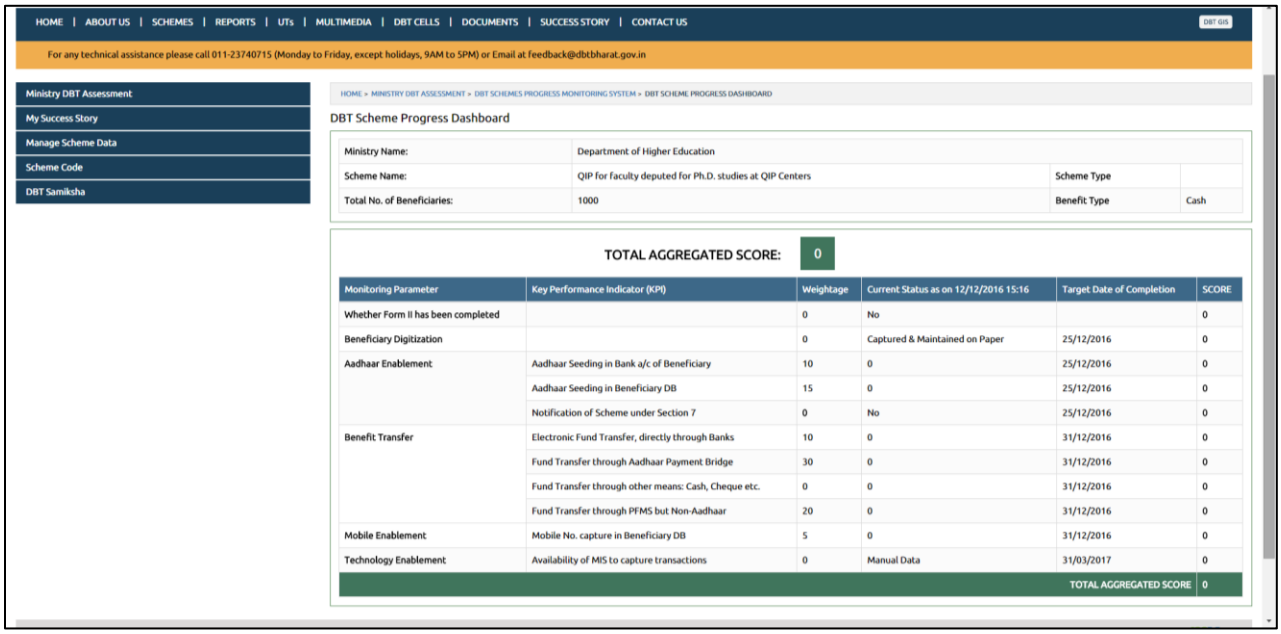

Figure 5 - DBT Scheme Progress Dashboard

This will give the progress score of the scheme against each KPI along with its weight and Target Date of Completion.

To report progress, user will click on option i – Report Progress.

User needs to fill the form to get real time score as shown in option I score card. This form will vary based on Benefit Type of the Scheme i.e. Cash, In Kind and Other.

In Case of **Cash Benefit Type Scheme,** following fields will be filled:-

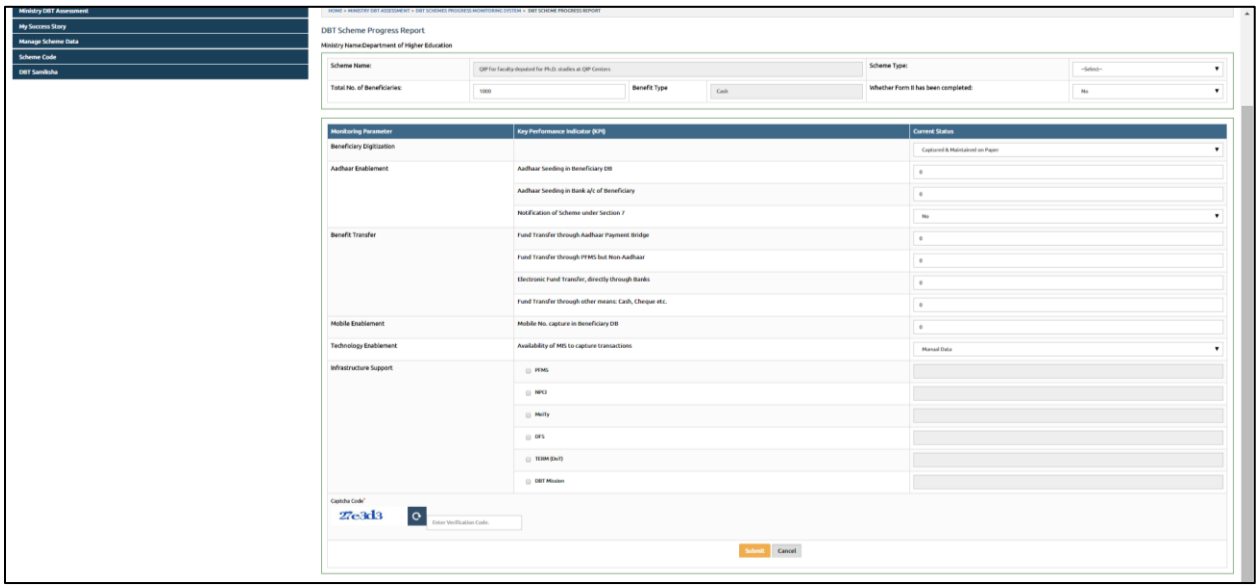

Figure 6 - Benefit Type - Cash, DBT Scheme Progress Report

i. Scheme Type is drop down option which will be prepopulated if already filled in form II of DBT Assessment else user needs to choose from predefined value – *Central Sector Or Centrally Sponsored Scheme.*

ii. Total No. of Beneficiary => this is a text field to enter the beneficiary's number in the scheme, without special characters.

iii. Beneficiary Digitalization is a drop down which needs to be selected from *"Captured & Maintained Electronically Or Captured & Maintained on Paper"*

iv. Aadhaar Enablement has 3 options

   a. Aadhaar Seeding in Beneficiary DB => user needs to enter the number of beneficiaries who have Aadhaar Seeded in Database. Entered value should be without special characters and should be less than or equal to Total No. of Beneficiaries entered in option ii.

   b. Aadhaar Seeding in Bank a/c of Beneficiary => user needs to enter the number of beneficiaries who have Aadhaar Seeded Bank Account in Database. Entered value should be without special characters and should be less than or equal to Total No. of Beneficiaries entered in option ii.

   c. Notification of Scheme under Section 7 => user needs to select *Yes Or No* from drop down menu. This is a mandatory field.

v. Benefit Transfer has 4 sub-parameters

a. Fund Transfer through Aadhaar Payment Bridge => to achieve 100% DBT on-boarding, Fund transfer must be via APB only. This is text field where user needs to enter the Fund Transfer Amount (in INR) as number without comma or any special characters.

b. Fund Transfer through PFMS but Non-Aadhaar => This is a text field where the Fund Transfer Amount (in INR) needs to be entered as number without comma or any special characters.

c. Electronic Fund Transfer, directly through Banks=> This is a text field where the Fund Transfer Amount (in INR) needs to be entered as number without comma or any special characters.

d. Fund Transfer through other means: Cash, Cheque etc. => This is a text field where the Fund Transfer Amount (in INR) needs to be entered as number without comma or any special characters.

vi. Mobile Enablement => user needs to enter the number of beneficiaries who have Mobile number in Database. Entered value should be without special characters and should be less than or equal to Total No. of Beneficiaries entered in option ii.

vii. Availability of MIS to capture transactions => This is a drop down menu where user needs to select different options –

a. Manual Data -> Beneficiaries and Transaction details are managed in Paper

b. Conceptual Stage -> MIS system creation process started

c. Under Development -> MIS System is under development

d. Implementation at field level -> MIS System is rolling out to all locations

e. Under Integration with DBT Portal -> MIS system is sharing data with DBT Portal

f. Integration Completed -> MIS system is pushing data to DBT Portal via webservices (without manual intervention)

viii. Infrastructure Support => User can choose from listed Infrastructure Support agency(s) and mention the remarks/comments to achieve DBT onboarding. Character limit is between 15 to 250 characters.

After Entering the Captcha code, click on Submit Button. System will ask for confirmation to Submit. Once submitted, system will generate the Scheme Progress Report with pre-defined Weightage as mentioned in Section 3.a.

In Case of **In Kind Benefit Type Scheme,** following fields will be filled:-

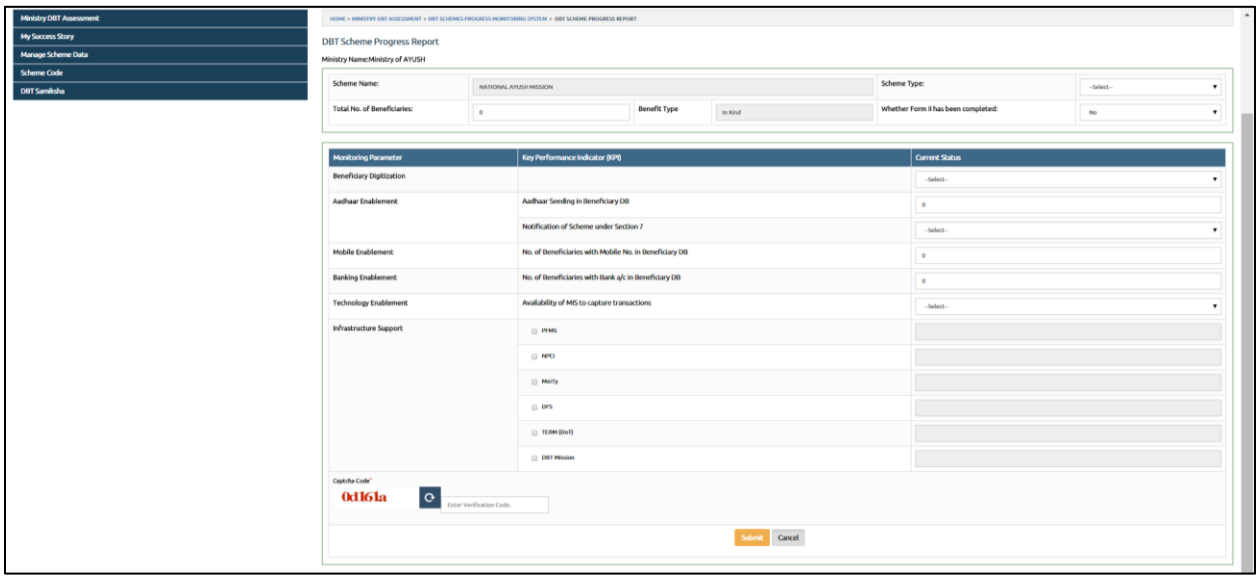

Figure 7 - Benefit Type - In Kind, DBT Scheme Progress Report

i. Scheme Type is drop down option which will be prepopulated if already filled in form II of DBT Assessment else user needs to choose from predefined value – Central Sector Or Centrally Sponsored Scheme.

ii. Total No. of Beneficiary => this is a text field to enter the beneficiary's number in the scheme, without special characters.

iii. Beneficiary Digitalization is a drop down which needs to be selected from "Captured & Maintained Electronically Or Captured & Maintained on Paper"

iv. Aadhaar Enablement has 2 options

   a. Aadhaar Seeding in Beneficiary DB => user needs to enter the number of beneficiaries who have Aadhaar Seeded in Database. Entered value should be without special characters and should be less than or equal to Total No. of Beneficiaries entered in option ii.

   b. Aadhaar Seeding in Bank a/c of Beneficiary => user needs to enter the number of beneficiaries who have Aadhaar Seeded Bank Account in Database. Entered value should be without special characters and should be less than or equal to Total No. of Beneficiaries entered in option ii.

v. Mobile Enablement => user needs to enter the number of beneficiaries whose mobile numbers have been captured. This number should be less than or equal to Total No. of Beneficiaries entered in option ii

vi. Banking Enablement -> No. of Beneficiaries with Bank a/c in Beneficiary DB=> user needs to enter the number of beneficiary whose Bank Account details have been

captured. This number should be less than or equal to Total No. of Beneficiaries entered in option ii

vii. Availability of MIS to capture transactions => This is a drop down menu where user needs to select different options:

   a. Manual Data -> Beneficiaries and Transaction details are managed in Paper
